In the Wind of the Wans

LONE MANGA!
presents

Chapter 70

Translator - Shiro

Editors - Hyakku/Casmara

1/20

Fifth day of the festival
Viceport Port

A black
airship?

Sir... There were
sightings of a black
object flying over the
monastery in that
direction

It was probably
a cloud! Printing
airships black is
illegal, you know!

HEY! WE NEED
TO MOVE THESE TO
GET IT READY FOR
THE AUCTION! QUIT
DALLYING!

W

What the hell
is this thing? Why
is it so heavy?

It's probably
some kind of
statue, so be
careful with it.

Alright...

Abide in the Wind

Episode 4 • Taturang

Story • Art

Shun Wood

Didan, look.

Both Kingdom Note is a cube with silver two finger knuckle Ring, a decorative dragon artifact, mark of the Laboratory of Time of unknown element, name, and contract requirements.

Doesn't this look like it?

yes...

Cardmaker R...
Their names have been abbreviated

Ms. Ramin told me not to talk to anyone carelessly...

LOVE MANGA!

6

W

THOSE CLOSE ARE PROBABLY
REALLY EXPENSIVE, YET YOU GOT
DOCT ON IT, AHHHHH-

THIS WON'T DO.
I'LL LEND YOU SOME
WORK CLOTHING.

I don't
really want.

This book was written
by a professor in the Old
Continents. It has been told
by the villagers during the
expansion of the empire.

His name was as
a traitor and eventually
returned to the kingdom
but he got assassinated
by the wordspellers
of the empire.

These kinds of books
need to go under the
history section...

You must
really love
books...

LOVE MANGA!

Well of
course...

but I like the
idea of gaining
knowledge

Even if you
scribbled something
down on a rock or a
piece of paper

it's a fact that
something written will be
passed down to the next
generation, regardless of
how it will be treated.

The real reason why books are important is because they contain knowledge.

Because they contain knowledge.

Knowledge is the only thing that can save the world.

Knowledge is the only thing that can save the world.

Ah, it's nothing
I've just heard that
pleasee before

Actually
I heard this
from someone
else too

There's a
professor called "Forest"
at academia...

Is she female
by any chance?

With light brown
hair and deep-
purple eyes...

Do you know
the professor?

Come to think of it, they look similar.

No, wait! She's like the splitting image of her!
Her hair color and the shape of her face.

Given their eyes are so different, I didn't notice.

LONE MANGA!

My current protector is Mr. Kinn, so...

She is a distant cousin. I met her once when I was young.

Wow, I never expected you to know her.

It's a small world.

Do you know Professor Fontaine's son, Ron?

Brother... Ron?

Yes! The professor is quite the beauty!

However, Ron's handsome face is like that of a flower,

so he's incredibly popular in academia!

Though having said that, his cold personality keeps his admirers looking from afar...

Brother
just...

doesn't know
how to treat people.
I think... it's probably
not intended.

peek

It's really
hard on talking to
others - after all.

I don't think there would
be someone more beautiful
than Kari Kuriko.

Come to think
of it, I've never seen or
heard from Kari.

Come to think of it,
I've never seen Katsuki
talk to someone else.

Katsuki, Mr. Pines
wouldn't be able to
understand.

LONE HAWK

What?

For a start
you treat each
other really well

I can clearly see
that for treats you like a
penguin and looks more
like that for a soccer tonight
in shining armor

With...

More...

LONE / MANGA!

Uhh... That is...

We have to stay
together, but we're not
going out, but uhh...

There're
no other happy
times, right?

PENNY! HELP
ME OUT! WE'RE
SHORT ON STAFF!

OPEN

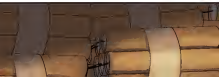

Are you a worker, too?
Come and help out with

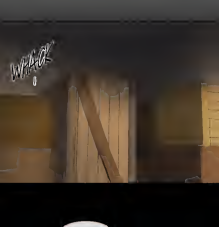

No, she's...

It is also the time
to help children in
troubled areas,
anyway

Get ready...

Don't get
caught...

O Lalenaru,

smile thy
enemy.

and free thine
innocents.

Auge in Wind
